Names that have a strikethrough indicate that they have umpired less than 20 games behind home plate.

K/BB RATE Ratio of Strikeouts to Walks for the Starting Pitchers games umpired. The theory is that OVER Umpires tend to have lower K/BB Ratio while Under Umpires tend to call more strikes and thus have higher K/BB Ratios.

BB/9 INN Average number of walks per 9 Innings pitched by a Starting Pitcher in games umpired by this Umpire. An OVER Umpire tends to call more balls resulting in more Walks while an UNDER Umpire tends to call more strikes and fewer walks.
